ΑΦΩ Alpha Phi Omega

APO President Bob Leutenhaus hides from his fans.

Alpha Phi Omega has been in existence on the McKendree College Campus since 1972. APO is the only national fraternity on campus and has an emphasis on both service and social activities. The fraternity enjoys being able to serve both the campus and the community. Each year Alpha Phi Omega sponsors a blood drive as well as a number of social activities, both of which are designed to invite interest in the fraternity.

ΦΛΣ Phi Lambda Sigma

The Philosophian Literary Society, founded in 1837, has the distinction of being the oldest literary society West of the Alleghenies and the third oldest in the nation. The organization was founded to promote literary advancement and poise among students.

Membership in the organization is open to all male students who meet and maintain the academic requirements of the College and who are returning or transfer students.

ΔΦΣ Delta Phi Sigma

Delta Phi Sigma was founded in 1966 to fill what its charter members felt was a social gap on McKendree's campus. Adelpi strives to promote an involvement in social activities and unity throughout the campus and the local community. While this society isn't a service organization, it does assist the college in striving to round out the social life of the students.

The Platonian Social Society, founded April 20, 1849, is the oldest social society west of the Alleghenies. Because of its state charter, Plato is a recognized corporation by the State of Illinois. The men of Plato participated in the Homecoming parade, and sponsored a day of bowling for Big Brothers.

The Plato motto is "Via Sapientiae — The way of wisdom".

This year Plato sponsored a very successful canoe trip for all the Greek societies, known as "Greek End." This activity helped unite all the Greeks for a week-end of fun.

On June 9, 1926, Sigma Zeta created a Beta chapter on the Mckendree College campus, making it the second chapter nationally. The chapter was reborn in the Fall of 1985 with the help of advisor, Dr. Richard McGuire.

Sigma Zeta is an honorary science society for those majoring in Biology, Chemistry, Mathematics, Computer Science, and Nursing.

This year, Sigma Zeta sponsored plant sales and judged local school science fairs. The group is working on a Science Hall of Fame and purchasing display cases for Voigt Science Hall.

The group was the recipient of the Founders cup at the national conclave this year. The award is a traveling trophy awarded to the most outstanding chapter each year. The award is given based upon the student papers presented at the conclave, and the achievement at the home campus, noted by the number and scholarly value of programs at chapter meetings.

1987-88 marked the beginning of what could be a new trend for Student Government at McKendree. This year's S.G.A. had a banner year, accomplishing many of the goals which previous student governments failed to reach. These included the setting up of a satisfactory communication network between students and administration, direct, active involvement in all matters regarding students, and the fulfillment of certain student needs in a variety of

areas. Persistent involvement and a bit of marketing brought S.G.A. out of the shadows and into the forefront of campus life, identifying it as a strong student influence at McKendree. S.G.A. accomplishments supporting this include a reorganization of S.G.A.'s internal structure, formation of a student/administration parking committee to research possible solutions to the parking problem, input into the Deneen Center and Bearcat gym renovations,

distribution of a major survey, the results of which aided in the implementation of a latin honor system and a geography class to be offered next year, several meetings with administrators regarding the new security system, and strong recommendations which helped protect student rights.

In addition to S.G.A.'s active role in campus politics, it also dealt with students needs in a smaller arena, undertaking tasks such as requesting maintenance of the clock on second floor Voight, requesting installation of pencil sharpeners in Carnegie Hall, requesting a dictionary in the computer room, and contributing to the fixing of loose stairwell tiles in Baker Hall. S.G.A. even dabbled in some programming, contributing to Day Purple, sponsoring a revolution dance celebrating the 200th anniversary of the signing of the United States Constitution, and taking third place for its "Ollie North Float" in the Homecoming Parade.

The 1987-88 Student Government Association capped off its successful year with the election of its membership for the next year. Comprised of some old and some new members, the primary goal of the 1988-89 Student Government is to do more things better next year. !

Theater At McKendree

This was a landmark year for McKendree College Theater. Alpha Theta, the oldest existing Illinois chapter of Alpha Psi Omega, the national honorary theater fraternity, was re-activated thanks to the hard work of Melissa Kaegel, president, and Jeff Bowen, treasurer. Chris Jones was elected vice-president and Betsy Sutton secretary. Also inducted this year were Bob Luetkenhaus, Randy Blakely, Jeff Winget, and two McKendree graduates, Dan Kasten and Eb Pullin. Dr. Brailow was made an honorary member and sponsor.

But as always, the plays were the thing, and we had three rousing successes. The fall production, *TARTUFFE*, was a modern-dress version of Moliere's 17th century satire of religious hypocrisy. Audiences roared at Preston Croslin's slimy Tartuffe, Randy Blakely's gullible Orgon, and Chris Jones's smart-tongued Dorine. Also featured were Jeff Winget, Betsy Sutton, Jeff Bowen, Becky Piper, Ginger Cox, Julie Cervantes, Jamie Lochhead, and Tim Montgomery. Bob Luetkenhaus designed the set and lighting. Dr. Brailow directed. The play broke both box office and attendance records.

In the spring, Michael Cristofer's *THE SHADOW BOX* moved audi-

ences to laughter and tears with its sensitive portrayal of three terminal cancer patients and their families and friends. Randy Blakely gave a sterling farewell performance as Joe, Steve Ebbs debuted as Brian, and Dr. Gabrielle Rowe nearly stole the evening as Felicity. The excellent cast featured Melissa Kaegel, Jeff Winget, Becky Piper, Peggy Steele, and Jacque Cummings. Bob Luetkenhaus designed the set and lighting. Dr. Brailow directed.

The last show of the year was the annual performance by Iowa's Riverside Theatre, which this year presented Jules Feiffer's *HOLD ME*, featuring Jody Hovland and Ron Clark, with cameo appearances by Melissa Kaegel, Chris Jones, and Steve Ebbs. The comedy revue brought back memories of the premiere production of the re-vitalized McKendree College Theater: *FEIFFER'S PEOPLE*, spring 1983.

This was a gala year for the theater, but its ending is sad, as we lose so many valuable members of the class of 1988. Melissa, Randy, Betsy, Chris and the three Jeffs — Wright, Bowen, and Thorton: We'll miss you! What an amazing four years it has been!

Editor's Page

This is our last page. Finally, the 1988 McKendree is finished, hopefully you will enjoy our work. Despite the fact that we had never before worked on a yearbook, had no idea what to do or where to start, had no real staff to help, and were off to a late start, we did our best to capture the best of McKendree in the 1987-88 school year.

Anyone interested in helping us improve the book next year is more than welcome to help. This book is what the students make it and once again, only a handful of students made any effort to ensure that there would even be a book. When only a few people help, a lot is missed. More help is needed to make a better book and to make the work more fun.

Keep smiling!
